

Notes:

Date: 12/16/2022

Time: 09.30 – 10.00

Location: Fontys R10

Participants present: Michiel Koehorst, Aya Shikh Suliman, Erfan Alizada, Alaa Bolbol

Decisions we made:

- A nicer looking schedule
- Change the X button to an arrow
- Check spelling mistakes
- Check answering question table in database. The type should be Nvarchar max
- Turn the location into a class
- Wrap up the iteration
- Update project plan
- Update URS

Actions we are going to take:

- Implementation for new features
- Meeting notes
- Agenda
- Email with agenda
- Adjust use cases
- Update project plan
